

Railyard Lofts

LOCATION Carlsbad, California
TYPE Multi-Dwelling Unit
DEVELOPER & DESIGNER M. Benjamin + Co. Development

THE ASK To find products that meet commercial construction and residential living needs while complementing a sustainable design philosophy for an urban, eco-friendly environment.

WHY ROBERN® With diverse products in a range of sizes and styles, Robern was able to meet the specific space and design needs of Railyard Lofts. The sustainable glass and aluminum construction of the M Series Medicine Cabinets with Reflexion® Lights contributed to the LEED silver certification of this ambitious project.
