Attention:-

Mr. Jim Hogan

President Director

Green Drains Indonesia

Dear Jim

Thank you for allowing us an opportunity to trial Green Drains in our hotel

The green drains performed at a level as you advised and in accordance with Green Drains specifications.

We have had no cockroaches or other bugs, no smell and no fumes; and, the flow of waste water continues to run smoothly, smart solution for hotel bathrooms, kitchen or any other wet area in the hotel with drains

I should also mention that since trialing it we have had no reports regarding bad odors in bathrooms;

A needed tool for new and old hotels

Kind Regards
