Fred,

We have completed the install of the Green Drain product, installation could not be easier.

I am impressed with the simplistic design and the quality of the materials of construction. We have had issues with pest intrusion at some floor drain locations. Since we have installed these units we have monitored for activity and have found none.

Just with the pest issue resolved alone we are sold, not to mention elimination of drain maintenance and drain odors.

Thanks.

A handwritten signature in black ink that reads "Barry Haynes". The signature is written in a cursive style with a long horizontal stroke at the end.
