Singular products for plural tastes

Interior design professionals and architects from all around the world trust in our products for their projects, and of course individual customers. At Viefe they can find a wide variety of eclectic, decorative accessories which adapt to different tastes and lifestyles. Our designs transform all types of spaces and transmit the personality of whoever lives in that space.

OUR PRODUCTS

Handles and Knobs

Our collections of knobs, handles, and long handles for cabinets integrate into furniture with the utmost precision. They completely transform them. Elevate their aesthetic. They complete the environments where they are found and connect them with the latest trends. Totally ergonomic, with an incredible touch and tangible quality.

Wall hooks

Their design follows the same line as our handles in many cases and combine with them to generate harmonious environments. They can be fitted easily and allow you to hang up all types of garments and accessories. They are practical and aesthetic, extremely original with optimal dimensions and innovative shapes. They have the mark of designers from all over the world who, just like us, dream without limits.

Door Stoppers

Our door stoppers set physical limits, but not creative limits. They protect and surprise. They add style whilst helping to avoid banging doors. Created to be seen, they make floors become part of the design in tune with the rest of the space. They are characterized by their resilience. They can be differentiated by their shapes. And they can be defined by their creativity.

Feet

Furniture feet manufactured in aluminum. Especially suitable for furniture models that require adjustable legs to position itself correctly on the floor. It has a U-shaped groove incorporating an adjuster which can be manoeuvred so fixing the setting of the foot. Available in three sizes, Fonda includes four different finishes: a shiny finish, stainless steel look, brushed black and the new brushed dark brass.

DISPLAY BOARDS

See and touch

On the display boards, all the different models of knobs and handles that we have available can be seen along with the finishes and some of the more representative measurements. So you have an idea of the dimensions of the products: each display board measures 20 x 15 inch and the long one 20 x 63 inch.

Product reference included on every display board.

Some display boards do not include the complete range of products from the collection.
